SIR JAMES WATTS & CELEBRATE IN

TEMPLAR, MARY WARD & MANCHESTER'S THIS STUNNING HIGH PEAK HIDEAWAY

Upper House is a historic castellated fortress set within the tranquil & intimate surroundings of 30 acres of private woodland. Standing alone on the magnificent mountain of Kinder Scout in the Peak District National Park, the sweeping driveway to the front of the property drops away to a breathtaking view of Kinder Reservoir. These incredible surroundings create a truly outstanding backdrop for your special day.

Wrapped around a stunning central courtyard, Upper House comprises a Medieval Banqueting Hall, an original Inn, gardens & luxurious accommodation for up to 28 guests. It's long history is truly fascinating, Upper House was the secret hideaway of the biggest industrialists, politicians, royals, authors & intellectuals from the turn of the 20th Century, & later was where Agatha Christie came to devise her legendary plots.

There is ample accommodation for extra guests in Hayfield Village: from pods on the campsite to pubs, B&B's, holiday homes. Transport is provided to bring guests from the village to the venue.

Isolated in the 6,000 Acre Kinder Estate in the north west of the Peak District National Park in Derbyshire, Upper House feels a world away from anywhere. However, the house is conveniently located for all amenities. Buxton lies 10 miles to the South. The house is just 45 minutes drive from Manchester City Centre and Manchester Airport; 28 miles from Sheffield & 50 miles from Chester. There are considerable rail links from two stations in New Mills, 3 miles east of the village. It is within easy reach of the M67 motorway near Glossop in the south, with the M1 & M6 less than an hour away.

This venue has been described as one of Britain's hidden treasures & one of the wedding industry's best kept secrets.

“THANKS TO YOU, MY FAMILY WILL REMEMBER IT BECAUSE IT WAS THE CELEBRATION OF MY PLACE TO CHERISH OUR LOVE & TO SPEND TIME
